Instructions to Reviewers:

l. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

ne for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

1. The 1940-1941 epidemic was the first of its kind in the United States. It was caused by the introduction of a new strain of the virus, which was brought in by a group of sailors who had been in contact with the virus in the Philippines. The virus was then spread to the United States by a group of sailors who had been in contact with the virus in the Philippines. The virus was then spread to the United States by a group of sailors who had been in contact with the virus in the Philippines.
